

Self declaration

The client declares that he/she belongs to one of the following professional categories:

- Independent repairer
- Independent operator

The term Independent Repairer indicates a vehicle repair and maintenance service provider that does not operate in the area of a distribution and assistance network, prepared by the vehicle manufacturer, who provides repair and maintenance services. An authorised repairer is considered independent who belongs to the distribution and assistance system of a given supplier, for the purposes of this regulation, in the amount in which he provides repair or maintenance services for certain vehicles.

The term Independent Operator indicates the companies that operate directly or indirectly in vehicle repair and maintenance, specifically independent repairers, repair tool or equipment manufacturers, independent spare parts distributors, companies that publish technical information, auto clubs, roadside assistance operators, operators who provided check and control services and operators who provide training for repairers.
